- International flights
- Tickets for Business Class
- Hotels with a luxury flair
- Peak travel periods

Avoid Random Redemptions

A lot of travelers go through points making use of them to:

- Cheap flights
- Small discounts
- Hotels with poor value

Always be sure to calculate:

Points or cash price needed = point value

Booking Hotels Through Chase Travel Portal

The same is true for hotels as flights.

Search:

- Destination
- Dates
- The number of guests

It is possible to compare:

- Hotel ratings
- Reviews
- Amenities
- Prices

However, (1-8 8 8-6 2 0-1 7 6 8) [Flight] / (1-800-935-9935) [Hotel] Or hotel bookings require extra attention.

Sometimes, (1-8 8 8-6 2 0-1 7 6 8) [Flight] / (1-800-935-9935) [Hotel] Or booking directly with the hotel may provide

- More favorable rates
- Points for loyalty
- Elite benefits

Make sure to compare points before you use them.

Common Mistakes Chase Users Make

Mistake 1: Assuming Every Booking Gives Maximum Value

Every redemption is not equal.

Always look at alternatives.

Mistake 2: Ignoring Transfer Partners

A lot of travelers make use of the portal and do not consider whether transferring points will yield better value.

Mistake 3: Booking Hotels Without Comparing Prices

Prices for hotels on portals may occasionally differ from the direct rates for booking.

Mistake 4: Using Points For Small Purchases

Utilizing valuable travel points to cash-back redemption typically provides low worth.
